COMES NOW Mineral County, Nevada, proposed Intervenor herein, and respectfully requests that the Court amend its Order pursuant to Rule 59(e), Federal Rules of Civil Procedure, to allow Mineral County to extend time to attempt personal service upon the remaining claimants to the waters of the Walker River in accordance with the Court's interpretation of Rule 4(d), to allow Mineral County one hundred and twenty (120) days from

/ / /

/ / /

1 the date of the Court's August 16, 1995 Order, in which to com-  
2 plete this personal service until December 14, 1995. Mineral  
3 County makes this request for amendment because of the numerous  
4 persons, in excess of 1000 persons, that will require personal  
5 service and in order to allow Mineral County to prepare the  
6 evidence necessary to show the Court whether the refusal to waive  
7 service was done with "good cause."

8 WHEREAS, the Court has not accepted Mineral County's  
9 parallel reasoning and interpretation of prior Rule 4(c)(2)(C)(i)  
10 in interpreting Rule 5(c), Mineral County would respectfully ask  
11 for clarification of the Court's Order of February 9, 1995, and  
12 that such clarification be amended to its Order of August 16,  
13 1995. Mineral County seeks a determination of paragraph 4 of  
14 the Court's February 9, 1995, Order, in that said paragraph  
15 referred to what Mineral County should mail to persons if it  
16 sought a waiver of service of the intervention documents, then  
17 Mineral County was to serve the Notice of Motion to Intervene,  
18 Proposed Complaint in Intervention of Mineral County and Request  
19 for Waiver of Personal Service of Motions and the attached Waiver  
20 of Personal Service of Motions, and that no other documents were  
21 required with the Waiver Request.

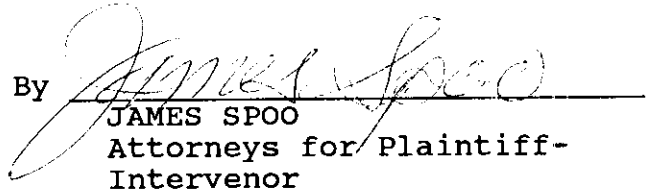

22 FOR THE ABOVE STATED REASONS, Mineral County, Nevada,  
23 respectfully requests that the Court amend its Order of August  
24 16, 1995, to extend the time in which Mineral County has to  
25 personally serve the claimants to the waters of the Walker River  
26 until December 14, 1995, and to clarify its Order of February 9,  
27 1995, as hereinabove set forth.
